Volunteer Services

Join the team that cares!

As soon as you join the MRHC volunteers you'll be able to start making a difference. During an initial interview, we'll determine what area best suits your skills and interest. We'll help you set a flexible schedule that lets you volunteer when it's most convenient for you.

Once you're at your new post, you'll get the training and support you need to help you be comfortable and effective. Experienced volun-

teers will guide you as you learn and help you branch out when you're ready to take on more.

As a MRHC volunteer you'll become part of a team— a team that works together to make a difference in the life of each and

every patient who needs a caring heart and a healing hand. We've been making a difference since MRHC opened in 1978.
